Questions & Answers

1. Why are you running for council?

Experience:

- 12 years on Mapleton Board of Education, served as President during a superintendent search
- 3 years on Colorado Association of School Boards (state organization)
- 4 years Adams County Community Corrections Board
- Currently serving on the City Board of Adjustments

I am running for council because I believe I am the best candidate from Ward 4 to City Council. I have board experience and know the amount of hard work it takes. I believe in being a team player. I can strategize with the council team and city management to accomplish great things for our city. I believe we have a very bright future in front of us and I am the person to continue planning a "Quality Community for a Lifetime".

2. What do you see as the three biggest opportunities for Commerce City?

1. The one percent sales tax money
2. The Fast Track Area
3. The development of Victory Crossing area on Quebec Street

3. What do you see as the three biggest challenges facing the city?

1. Three remaining projects to be completed from the one percent sales tax and future projects
2. Look into the future to see what businesses our city can attract to generate revenue and jobs

3. Keeping a balance budget while meeting the needs of the city

4. What does a “Quality Community for a Lifetime” mean to you?

A place you can feel safe. A place where your needs can be met for shopping, bike trails, entertainment to cultural entertainment.

5. What is your favorite aspect of the city?

I love the fact we have a historical part of the city, we can look at our beginning and then look forward to see areas being developed. All ages and cultures can work together.
