

TURNBERRY

Neighborhood Park

Turnberry Park is one of five projects in Commerce City's voter-approved capital improvement program. The 9.5-acre site, located at 10725 Wheeling Street, serves residents of the Turnberry neighborhood and surrounding community.

The park is located next to Turnberry Elementary School. It will border the existing school playfield and basketball courts. There will be a total of four pedestrian access points to the park, including one at the back of the school parking lot.

The park is one of three parks in the capital improvement program. A park in Villages at Buffalo Run East began construction in February 2016 and Fronterra Park opened in August 2015.

Features

- Multi-use hard court for informal/drop-in basketball, hopscotch, roller hockey, etc.
- Minimum two graded playfields
- Picnic areas with shelters
- Playground
- Walking/Jogging trail
- Sustainable landscaping
- Low-level lighting for safety
- Restroom
- ADA accessible
- Wide range of activities for all ages

Process

Commerce City asked the community to vote on an overall concept and preferred optional element. After public meetings and online input, the community voted on a theme inspired by the children's book "The Very Hungry Caterpillar" and a multi-use hard court. The project team refined design to reflect community input while staying within schedule and budget. Final design was presented to City Council on June 15, 2015.

Fast Facts

Contractor: GoodLand Construction
Designer: DHM Design
Total Project Budget: \$2.2M
