OUTDOOR SERVICE PERMIT SITE MAP

Instructions: Please provide a site map for your outdoor dining operations either on the following page or attached to this sheet. The map should either be drawn to scale or otherwise indicate distances and dimensions. Include this map with the other required application materials. At a minimum, this map should include the following locations of:

- Tables
- Fire hydrants
- Drive-lanes
- ADA-compliant access, including parking spots
- Tents (indicate size)
- Heaters
- Sidewalks
- Public property

Plans are required to meet the outdoor services design guidelines adopted in July 2023. More information on the design guidelines can be found on the City's website.
